

Preferred Provider Application

A major purpose of I'On At Home is to enable our members to access safe and reliable professional services, and we take our responsibility seriously. We are pleased to facilitate the connection of our members with reliable fee-for-service vendors.

If you would like to join our team of screened professional providers, please give us the information requested below. If your business meets our threshold criteria, we will contact you to arrange a personal interview to further ensure there is a good match between your company and our members.

Please complete screening questions below by going to our website at www.ionathome.org. You may submit your responses online or fill out the form online and return it by email to Barbara Wade (baranne@comcast.net). We will confirm receipt of your application and notify you whether your company has been approved to proceed with our process. If you are approved, the next step will be an interview.

Thank you for your interest!

1. Company Name: _____
2. Contact Person and Title: _____
3. Street Address: _____
